**GRAND ROUNDS**  
**O’Keeffe Auditorium**  
**6:45 am - 7:45 am**

**L. Daniel Latt, MD PhD** is an Associate Professor with Tenure of Orthopaedic Surgery and Biomedical Engineering at the University of Arizona and is a board-certified orthopaedic surgeon. He specializes in the care of injuries of the knee, ankle, and foot. He is an expert in the treatment of tendon problems, arthritis, and complex deformities of the lower extremity.

Dr. Latt earned his medical degree from the University of Pittsburgh in 2002. He completed residency training in orthopaedic surgery at McGill University in Montreal, in 2007. He is fellowship trained in both sports medicine (Kaiser, San Diego, 2008) and foot and ankle surgery (Duke University, 2009). In addition to his medical degree, Dr. Latt has a PhD in Bioengineering (University of Pittsburgh, 2001). He is also the Editor-in-Chief for Foot & Ankle Orthopaedics, the open online journal of the American Orthopaedic Foot and Ankle Society.

Dr. Latt’s current research interests include: the use of ultrasound in the prognosis for tendonitis of the posterior tibial and peroneal tendons; evaluating the impact of bone viscoelasticity on the maintenance of arthrodesis site compression following fusion surgery; the determination of changes in ankle joint contact pressures that occur with ankle fractures; and the use of finite element analysis for computational modelling of foot and ankle disorders and their treatments.

6:45 am	<b>Welcome</b>	Christopher W. DiGiovanni, MD, FAOA <i>Chief, Division of Foot &amp; Ankle Surgery</i> <i>Department of Orthopaedic Surgery</i> <i>Massachusetts General Hospital &amp; Newton</i> <i>Wellesley Hospital</i> <i>Associate Professor and Vice Chairman</i> <i>(Academic Affairs)</i> <i>Harvard Medical School</i>
6:50 am	<b>“Charcot Neuroarthropathy of the Ankle and Hindfoot”</b>	L. Daniel Latt, MD PhD
7:45 am	<b>Wrap-up / Adjourn</b>	Christopher W. DiGiovanni, MD, FAOA
